

CUSTOMER INFORMATIONAL SESSION

Pascoag Utility District & Harrisville Water Department Potential Merger

 MARCH 26, 2024 AT 6:00PM
HARRISVILLE FIRE STATION
201 CALLAHAN SCHOOL ST.
HARRISVILLE, RI 02830

Agenda Overview

Exciting news for our community! The Harrisville Fire District Water Department and Pascoag Utility District are thrilled to announce significant progress toward the creation of a new entity that will transform how we manage our electric and water systems.

Why merge? It's all about efficiency and future-proofing our utilities. By combining forces, we can streamline operations, ensure regulatory compliance, and secure potable water sources for generations to come. Plus, with one unified board of utility commissioners and management team, we'll enhance service delivery and customer engagement.

A customer vote will be scheduled during the first week of April at the Harrisville Fire Station but for now we'd like to invite you to attend an informational session regarding the merger and give you an opportunity to get more information and ask questions. An ad in the Bargain Buyer with additional information will be published next week.

We look forward to seeing you there!

All meetings of the Harrisville Fire District are subject to the Open Meeting Laws, which includes requirements for access by those with special needs. The Harrisville Fire Station is accessible to persons with disabilities.

Harrisville Fire District is prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity.

Anyone wishing to attend the meeting, who may have special needs for access or services, such as a sign language interpreter must contact the Harrisville Fire District office at 568-2224 one (1) week prior to the scheduled meeting.
