NOTICE OF PROPOSED CHANGES TO BY-LAWS

Pursuant to Article X, of the By-Laws of the Harrisville Fire District ("By-Laws"), notice is hereby given of a hearing of the Harrisville Fire District ("Harrisville") Operating Committee ("Operating Committee") scheduled for November 13, 2025 at 7:00 PM at the Harrisville Fire District Office, 115 Central Street, Harrisville, RI 02830 ("District Office"), to consider a proposal to amend the By-Laws to align them with the current charter of the Harrisville Fire District. Proposed changes include but are not limited to the removal of all references to the now former and now defunct water department, reduction of committee members to better reflect the size of the fire department, and to more clearly advertise fire plan review fees. All interested parties are invited to attend and submit data, views, or arguments, orally or in writing. Written submissions may be submitted to the Operating Committee at the District office and will be accepted and considered as part of the record even if a party does not attend the scheduled meeting.

A copy of the proposed changes are available for inspection at the District office and on the District website.
